 - Roll back \$.08 provides 5 million less available in funding; Mayor Todd clarified that this calculation could be done with any roll back amount such as \$.04 cents
- Alderman Headley asked when the escrow would be set up and if debt service would be paid off early
- Baker Tilly needs direction from the Board on which direction they want to go and Mayor suggested to roll back \$.05 and Alderman Cleaver agreed; An ordinance will be brought back at another meeting to reflect; City Finance Director Craig asked the Board of Aldermen for their direction before the tax levy hearing
- Deputy City Administrator Murphy shared if the amount of money needed is not provided up front, the project will be put into phases; The first phase would be cheaper to do and then the next phases the cost to complete will be more expensive as costs go up over time; Would like to try to avoid cutting taxes now to raise taxes at a later date in order to finish the project
- Mayor suggested \$.03 instead of \$.05 to be below \$1.60 and if citizens show they want more rollback, then they will vote now as it allows for more bonding capacity; Alderman Cleaver agreed

BOA Staff Report

August 27, 2019

ACTION:

An Ordinance recommending that Title IV of the Code of Ordinances be amended to include a new chapter addressing medical marijuana facilities and amending Section 400.240, Conditional Uses.

PURPOSE:

To address zoning for medical marijuana facilities within the corporate boundaries of the City of Grain Valley.

BACKGROUND:

In November 2018 election, Missouri voters approved an amendment to the Missouri Constitution, Article XIV, Section 1, legalizing medical marijuana. At the August 12, 2019 meeting, the Board of Aldermen adopted Ordinance 2472 in order to conform to the provisions of Article XIV, Section 1 of the Missouri Constitution, as well as all regulations enacted pursuant to Article XIV, Section 1.

The State Constitutional Amendment states that “local governments may enact ordinances or regulations not in conflict with this section, or with regulations enacted pursuant to this section governing the time, place and manner of operation of such facilities.

When considering zoning regulations for medical marijuana facilities, it is important to remember that just as cities may not prohibit medical marijuana facilities, they may not enact ordinances or regulations that have the effect of prohibiting medical marijuana facilities.

The City desires to protect the public health and safety by establishing reasonable regulations on medical marijuana related businesses regarding noise, air quality, neighborhood safety, security, and time, place and manner restrictions on medical marijuana facility operations.

SPECIAL CONDITIONS:

n/a

ANALYSIS:

The Ordinance for consideration promulgates allowing medical marijuana facilities in certain zoning districts by conditional use permit.

There are five types of medical marijuana facilities defined by the State Constitution or regulations; Dispensary, Cultivation, Infused Products Manufacturing, Testing and Transportation.

A Dispensary Facility, as a conditional use, may be located in Districts CB (Controlled Business), C-1 (Central Business), C-2 (General Business), C-3 (Highway Commercial) and the Downtown Overlay District.

A Cultivation Facility, as a conditional use, may be located in Districts A (Agricultural), M-1 (Light Industrial), M-2 (Heavy Industrial), and I-P (Industrial Park).

A medical marijuana-infused products manufacturing facility, as a conditional use, may be located in Districts M-1 (Light Industrial), M-2 (Heavy Industrial), and I-P (Industrial Park).

A testing facility or a transportation facility, as a conditional use, may be located in Districts R-P (Research Park), M-1 (Light Industrial), M-2 (Heavy Industrial) and I-P (Industrial Park).

With all conditional use permit applications for a medical marijuana facility, the applicant will need to provide:

- 1) Site Plan
- 2) Compliance with all city-adopted building codes
- 3) Odor Plan
- 4) Security Plan
- 5) Waste Disposal Plan
- 6) Signage Plan

No medical marijuana facility shall be located closer than 750 feet of any then-existing elementary or secondary school, daycare, or church. The resolution defines how the distance is determined between the facility and any then-existing elementary or secondary school, daycare, or church. Measurements are made along the shortest path between the demarcation points that can be lawfully traveled by foot. The measurement requirement is from the state regulations.

Also, a medical marijuana facility can not be located closer than 500 feet from any other medical marijuana facility, except when the facilities share common ownership.

The hours of operation for a dispensary facility is regulated in the City's general ordinance. Dispensary facilities shall not be open to the public or make any sales between the hours of 8:00 p.m. and 8:00 a.m.

The Ordinance also acknowledges the state regulations pertaining to residential medical marijuana cultivation.

- resolution promulgates allowing medical marijuana facilities in certain zoning districts by conditional use permit. Public notice was given in the Examiner. Staff recommends that the Planning & Zoning Commission approves the resolution.
- Chair Saffell asked in regard to the distance requirement from a school, does the school district own any land where there currently is no building. Trosen responded to his knowledge, the property on Pink Hill Road would accommodate future buildings for the school district. Hartner commented that if the school district does own property, that does not include a building, then the property would have to be used for extracurricular activities for the distance requirement to be enforceable.
 - There was discussion regarding the 750 foot setback as recommended in the resolution instead of the state regulations which allows 1,000 feet. Staff proposed the 750 foot requirement because an analysis was conducted looking at the 1,000 foot distance and concluded there were very few areas that medical marijuana facilities could be located and staff wanted to ensure that there was no appearance the city was prohibiting medical marijuana facilities because of the distance requirement.
 - There was discussion regarding the Ordinance that was adopted by the Board of Aldermen on August 12, 2019.
 - Commissioner Shelton asked about the ownership of a facility and if there were provisions pertaining to the percentage of ownership. Hartner responded to the question.
 - Commissioner Tyson asked what the distance requirement between a business with a liquor license and a church, school and daycare is. Staff did not know at time, but for these minutes, no license shall be granted for the sale of alcoholic beverages within 300 feet of any school, church or other building used as a place of worship, unless the applicant for license obtains consent.
 - Commissioner Tyson asked if a certain area of town can be established as a district to contain these facilities. Staff responded no. Staff explained that based on the type of facility, the appropriate zoning district was determined but as a conditional use.
 - Commissioner Browning asked about the security requirements for these facilities. Trosen responded and referred to the sections of the resolution that would require the applicant to provide a security plan that is reviewed by the Police Department for compliance with the state regulations.
 - Chair Saffell asked if we can require the facilities to have a fire sprinkler system. Trosen responded that they would need to comply with building codes and codes based on the type of facility would require the facility to have a sprinkler system.

- Hartner added that the state regulations would also require code compliance. Hartner further stated that we are working from emergency rules established by state and they may change, and the city may need to adjust later.
- Commissioner Tyson asked how this resolution compared to other cities that have passed similar regulations. Hartner commented that these regulations are very comparable to other cities with the additional assurance of requiring the conditional use permit.
 - Chair Saffell asked if a facility loses their state license then what happens to the conditional use permit. Hartner stated that if there is a provision in the resolution that if the applicant loses their state license then the conditional use permit will terminate immediately. Follow-up discussion regarding multiple owners and a license and how that works. Hartner stated the license pertains to the facility.
 - Alderman Handley asked if the license can be transferred to another person. The resolution includes language that the conditional use permit shall be personal to the applicant and shall not be transferable and shall not run with the land.
 - Commissioner Dimmitt asked about the enclosed, locked facility for qualifying patient cultivation. Hartner responded that the cultivation activity cannot be visible from adjacent property.
 - Commissioner Tyson asked about the signage for a manufacturing facility and will there be a big green marijuana symbol on top of a facility. Trosen stated that the ordinance adopted by the Board restricts and provides controls regarding the signage and what can be displayed. The city regulations mirror the state regulations in this area. Hartner states by having these regulations in the city ordinance enables local enforcement.
 - Chair Saffell asked if the person in the audience had a question. The gentlemen did not identify himself for the record but asked if there was a map that showed the districts and distance requirement in regard to a school, church or daycare. Trosen passed out a map and emphasized that because the distance requirement pertains to the shortest walking distance this map may not be completely accurate but would give you a good overview.
 - Commissioner Tyson asked if we are counting churches that may be in a strip mall or in a building with other businesses. Hartner responded that the state regulations and also in the resolution a church is defined as a permanent building primarily and regularly used as a place of religious worship. There is also section in the resolution that defines the measurement from a church in a strip mall or contained in a building

The Escrow Agent shall apply such amount as follows:

4. Creation of Lien. The escrow created hereby shall be irrevocable. The holders of the Escrowed Bonds are hereby given an express lien on and security interest in the Escrowed Securities and the cash in the Escrow Fund and all earnings thereon until used and applied in accordance with this Agreement. The matured principal of and earnings on the Escrowed Securities and any cash in the Escrow Fund are hereby pledged and assigned and shall be applied solely for the payment of the principal of and interest on the Escrowed Bonds.

5. Application of Cash and Escrowed Securities in the Escrow Fund.

6. Notice of Escrowed Bonds. The City instructs the Escrow Agent, as the Paying Agent for the Escrowed Bonds, to give all notices of defeasance of such Escrowed Bonds required by the Series 2011 Bond Ordinance. The City directs the Escrow Agent, as the Paying Agent for the Escrowed Bonds, to take such further action as may be necessary under the Series 2011 Bond Ordinance related to the defeasance of the Escrowed Bonds in the principal amounts and at the time set forth in **Schedule 1** hereof.

7. Reports of the Escrow Agent. As long as any of the Escrowed Bonds, together with the interest thereon, have not been paid in full, the Escrow Agent shall, at least 60 days prior to each Bond Payment Date, determine the amount of money that will be available in the Escrow Fund to pay the principal of and interest on the Escrowed Bonds on the next Bond Payment Date, and if the Escrow Agent determines that sufficient funds will not be available on such Bond Payment Date, then the Escrow Agent shall certify in writing to the City the amount so determined, and provide a list of the money and Escrowed Securities held by it in the Escrow Fund on the date of such certification.

8. Liability of Escrow Agent.

(a) The Escrow Agent shall not be liable for any loss resulting from any investment, sale, transfer or other disposition made pursuant to this Agreement in compliance with the provisions hereof. The Escrow Agent shall have no lien whatsoever on any of the money or Escrowed Securities on deposit in the Escrow Fund for the payment of fees and expenses for services rendered by the Escrow Agent under this Agreement or otherwise.

(b) The Escrow Agent shall not be liable for the accuracy of the calculations as to the sufficiency of the Escrowed Securities and money to pay the Escrowed Bonds. So long as the Escrow Agent applies the Escrowed Securities and money as provided herein, the Escrow Agent shall not be liable for any deficiencies in the amounts necessary to pay the Escrowed Bonds caused by such calculations. Notwithstanding the foregoing, the Escrow Agent shall not be relieved of liability arising from and proximate to its failure to comply fully with the terms of this Agreement.

(c) If the Escrow Agent fails to account for any of the Escrowed Securities or money received by it, said Escrowed Securities or money shall be and remain the property of the City in trust for the holders of the Escrowed Bonds, and, if for any reason such Escrowed Securities or money are not applied as herein provided, the assets of the Escrow Agent shall be impressed with a trust for the amount thereof until the required application shall be made.

(d) The Escrow Agent may rely and shall be protected in acting upon or refraining from acting upon in good faith any ordinance, certificate, statement, instrument, opinion, report, notice, request, direction, consent, verification, order, bond, debenture or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties.

(e) The Escrow Agent undertakes to perform such duties and only such duties as are specifically set forth in this Agreement.

(f) No provision of this Agreement shall be construed to relieve the Escrow Agent from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that the Escrow Agent shall not be liable for any error of judgment made in good faith by an authorized officer or employee of the Escrow Agent, unless it shall be provided that the Escrow Agent was negligent in ascertaining the pertinent facts, or for the misconduct or negligence of any agent appointed with due care.

(g) Whether or not therein expressly so provided, every provision of this Agreement relating to the conduct or affecting the liability of or affording protection to the Escrow Agent shall be subject to the provisions of this Section.

9. Fees and Costs of the Escrow Agent and Costs Related to Defeasance of the Escrowed Bonds. The aggregate amount of the costs, fees and expenses in connection with the creation of the escrow described in and created by this Agreement and in carrying out any of the duties, terms or provisions of this Agreement shall be paid concurrently with the transfer of moneys to the Escrow Agent for creation of the Escrow Fund. The Escrow Agent shall be entitled to reimbursement from the City of reasonable out-of-pocket, legal or extraordinary expenses incurred in carrying out the duties, terms or provisions of this Agreement, including but not limited to costs incurred for giving notice of redemption of any redeemed bonds. Claims for such reimbursement may be made to the City and in no event shall such reimbursement or other fees of the Escrow Agent be made from funds held in the Escrow Fund by the Escrow Agent pursuant to this Agreement.

If the Escrow Agent resigns prior to the expiration of this Agreement, the Escrow Agent shall rebate to the City a ratable portion of any fee theretofore paid by the City to the Escrow Agent for its services under this Agreement.

10. Resignation or Removal of Escrow Agent; Successor Escrow Agent. The Escrow Agent at the time acting hereunder may at any time resign and be discharged from its duties and responsibilities hereby created by giving written notice by registered or certified mail to the City and to the Paying Agent and by first class mail to all of the owners of record of the Escrowed Bonds not less than 60 days prior to the date when the resignation is to take effect. Such resignation shall take effect immediately upon the acceptance of the City of the resignation, the appointment of a successor Escrow Agent (which may be a temporary Escrow Agent) by the City, the acceptance of such successor Escrow Agent of the terms, covenants and conditions of this Agreement, the transfer of the Escrow Fund, including the money and Escrowed Securities held therein, to such successor Escrow Agent and the completion of any other actions required for the principal of and interest on the Escrowed Securities to be made payable to such successor Escrow Agent rather than the resigning Escrow Agent.

The Escrow Agent may be removed at any time by an instrument or concurrent instruments in writing, delivered to the Escrow Agent and the City and signed by the owners of a majority in principal amount of the Escrowed Bonds then outstanding; provided that written notice thereof is mailed on or before the date of such removal by first class mail, postage prepaid, to all registered owners of such Bonds, who are not parties to such instruments. The Escrow Agent may also be removed by the City if the Escrow Agent fails to make timely payment on any Bond Payment Date to the Paying Agent of the amounts required to be paid by it on such Bond Payment Date by **Section 5(b)** of this Agreement; provided that written notice thereof is mailed on or before the date of such removal by registered or certified mail, postage prepaid, to the Paying Agent and by first class mail to all registered owners of such Bonds who are not parties to such instruments. Any removal pursuant to this paragraph shall become effective upon the appointment of a successor Escrow Agent (which may be a temporary successor Escrow Agent) by the City, the acceptance of such successor Escrow Agent of

the terms, covenants and conditions of this Agreement, the transfer of the Escrow Fund, including the money and Escrowed Securities held therein, to such successor Escrow Agent and the completion of any other actions required for the principal of and interest on the Escrowed Securities to be made payable to such successor Escrow Agent rather than the Escrow Agent being removed.

If the Escrow Agent resigns or is removed, or is dissolved, or is in the course of dissolution or liquidation, or otherwise becomes incapable of acting hereunder, or if the Escrow Agent is taken under the control of any public officer or officers, or of a receiver appointed by a court, the City shall appoint a temporary Escrow Agent to fill such vacancy until a successor Escrow Agent is appointed by the City in the manner above provided, and any such temporary Escrow Agent so appointed by the City shall immediately and without further act be superseded by the successor Escrow Agent so appointed.

If no appointment of a successor Escrow Agent or a temporary successor Escrow Agent has been made by such holders or the City pursuant to the foregoing provisions of this Section within 60 days after written notice of resignation of the Escrow Agent has been given to the City, the holder of any of the Escrowed Bonds or any retiring Escrow Agent may apply to any court of competent jurisdiction for the appointment of a successor Escrow Agent, and such court may thereupon, after such notice, if any, as it shall deem proper, appoint a successor Escrow Agent.

No successor Escrow Agent shall be appointed unless such successor Escrow Agent is a corporation with trust powers authorized to do business in the State of Missouri and organized under the banking laws of the United States or the State of Missouri and has at the time of appointment capital and surplus of not less than \$25,000,000.

Every successor Escrow Agent appointed hereunder shall execute, acknowledge and deliver to its predecessor and to the City an instrument in writing accepting such appointment hereunder, and thereupon such successor Escrow Agent without any further act, deed or conveyance shall become fully vested with all the rights, immunities, powers, trusts, duties and obligations of its predecessor, but such predecessor shall, nevertheless, on the written request of such successor Escrow Agent or the City, execute and deliver an instrument transferring to such successor Escrow Agent all the estates, properties, rights, powers and trusts of such predecessor hereunder, and every predecessor Escrow Agent shall deliver all securities and money held by it to its successor. Should any transfer, assignment or instrument in writing from the City be required by any successor Escrow Agent for more fully and certainly vesting in such successor Escrow Agent the estates, rights, powers and duties hereby vested or intended to be vested in the predecessor Escrow Agent, any such transfer, assignment and instruments in writing shall, on request, be executed, acknowledged and delivered by the City.

Any corporation into which the Escrow Agent, or any successor to it of the duties and responsibilities created by this Agreement, may be merged or converted or with which it or any successor to it may be consolidated, or any corporation resulting from any merger, conversion, consolidation or reorganization to which the Escrow Agent or any successor to it may be a party, shall, if satisfactory to the City, be the successor Escrow Agent under this Agreement without the execution or filing of any paper or any other act on the part of the parties hereto, anything herein to the contrary notwithstanding.

11. Amendments to this Agreement. This Agreement is made for the benefit of the City and the owners from time to time of the Escrowed Bonds, and it shall not be repealed, revoked, altered or amended without the written consent of all such owners, the Escrow Agent and the City; provided, however, that the City and the Escrow Agent may, without the consent of or notice to such owners, enter into agreements supplemental to this Agreement if such supplemental agreements do not materially adversely affect the rights of such holders and are not inconsistent with the terms and provisions of this Agreement, for any one or more of the following purposes:

- (a) to cure any ambiguity or formal defect or omission in this Agreement;
- (b) to grant to, or confer upon, the Escrow Agent for the benefit of the owners of the Escrowed Bonds, any additional rights, remedies, powers or authority that may lawfully be granted to, or conferred upon, such owners or the Escrow Agent; and
- (c) to subject to this Agreement additional funds, securities or properties.

The Escrow Agent shall be entitled to rely exclusively upon an opinion of Bond Counsel with respect to compliance with this Section, including the extent, if any, to which any change, modification, addition or elimination affects the rights of the holders of the Escrowed Bonds, or that any instrument executed hereunder complies with the conditions and provisions of this Section.

12. Termination. This Agreement shall terminate when all transfers by the Escrow Agent under the provisions hereof shall have been made.

13. Notices. Except as otherwise provided herein, it shall be sufficient service of any notice, request, complaint, demand or other paper required by this Agreement to be given to or filed with the following parties if the same is duly mailed by first class, certified or registered mail addressed:

- (a) To the City at:
City of Grain Valley, Missouri
711 Main Street
Grain Valley, Missouri 64029
Attention: City Administrator
- (b) To the Escrow Agent at:
UMB Bank, N.A.

14. Severability. If any one or more of the covenants or agreements provided in this Agreement on the part of the City or the Escrow Agent to be performed should be determined by a court of competent jurisdiction to be contrary to law, such covenant or agreement shall be deemed and construed to be severable from the remaining covenants and agreements herein contained and shall in no way affect the validity of the remaining provisions of this Agreement.

15. Successors and Assigns. All of the covenants, promises and agreements in this Agreement contained by or on behalf of the City or the Escrow Agent shall be binding upon and inure to the benefit of their respective successors and assigns whether so expressed or not.

16. Governing Law. This Agreement shall be governed by the applicable law of the State of Missouri.
