BOA Staff Report – The Lofts at Old Towne Marketplace
Final Development Plan and Final Plat
May 27, 2020

ACTION:

Requesting approval of the Final Development Plan and Final Plat for the Lofts at Old Towne Market Place.

BACKGROUND:

The Board of Aldermen approved Ordinance 2496 on March 23, 2020 that changed the zoning on approximately 1.2 acres from Downtown Transition Zone to R-3p (Multi-Family Residential District – Planned Overlay District) and approximately 1.9 acres from C-1 (Central Business District) to R-3p (Multi-Family Residential District – Planned Overlay District). The Board also approved the preliminary development plan.

This site is generally located at Garden Street and near SW Eagles Parkway, aka 201 SW Eagles Parkway.

PURPOSE:

The proposed Lofts at Old Towne will consist of 154 rental units and a mixed-use indoor amenity center. The development includes demolition of the building that previously contained the former Patricia's Foods and Hardware store. A new four-story building (Building A) includes the first-floor mixed use amenity level and 64-rental units in three additional floors.

There will be three mostly identical three-story apartment buildings (Buildings B, C, and D) containing a total of 90 units on the vacant tract to the west.

The proposed 154 rental units will consist of 10% one-bedroom units, 80% two-bedroom units and 10% three-bedroom units.

The development will be completed in 2 phases. Buildings B, C and D as well as new parking lot will be completed in phase 1. Phase 2 will consist of the demolition and then construction of Building A.

The mixed-use amenity center will consist of an indoor pool, pickle ball courts, exercise room, media/theatre room, tenant co-op workspace and w-fi café, leasing office and tenant storage units.

ANALYSIS:

The final development plan is like the approved preliminary development plan and complies with the requirements of the City's land use regulations.

*Community Development
Mark Trosen, Director*

Page 2 – The Lofts at Old Towne Marketplace

The final plat, Old Towne Marketplace – 12th plat, meets all the requirements of the City’s subdivision regulations. The City Engineer has approved the civil engineering plans.

COMPREHENSIVE PLAN:

In reviewing the preferred land use plan within the 2014 Comprehensive Plan, the plan illustrates this area to be mixed between commercial and multi-family. The proposed rezoning and preliminary development plan would be consistent with the character and intent of the long-range plan for the city.
