ITEM XII: ORDINANCES

Bill No. B16-13: An Ordinance Approving the Updated 2016 Compensation Plan of the City of Grain Valley, Missouri

- City Attorney Jim Cook read **Bill No. B16-13** for its first reading by title only
- *Alderman West moved to accept the first reading of Bill No. B16-13 bringing it back for a second reading by title only*
- *The motion was Seconded by Alderman Headley*
- *Discussion -*
 - Community Development Director Ken Murphy provided background information about the new Communications Manager position, explaining that City Administrator Ryan Hunt anticipates the person working 32 hours per week through the end of the year. The Board of Aldermen are being asked to approve the amended compensation plan, adding the Communications Manager to range 7.
 - Alderman Johnston objected to having the position at a pay grade 7. He felt the compensation study didn't represent cities the same size as Grain Valley and felt the salary was way too high in comparison.
 - Alderman Stanley asked if the position could be changed to Communications Technician and moved to a lower pay grade.
 - Community Development Director Murphy explained that the pay grade was not tied to the position title, but rather to the role and responsibilities. This position is self-directed and will be the central organizer for all departments.
 - Alderman Johnston felt the Board members should have been provided with job descriptions with salary ranges from other cities so a fair comparison would be available.
 - Alderman Headley felt that offering a pay grade 6, based upon the averages, would be a fair salary and would help Grain Valley compete with other surrounding cities.
- *Alderman Johnston made a Motion to Amend the Compensation Plan, setting the Communications Manager salary at pay range 5*
- *The Motion was Seconded by Alderman Palecek*
- *Motion to Amend the Compensation Plan, setting the Communications Manager salary at pay range 5 was voted on with the following voice vote:*
