Missouri. The legal description is Lot 1, Black Industries, a subdivision in Grain Valley aka 415 E. South Outer Belt Road.

- Director Trosen presented the Staff Report. He stated that he received a follow-up email from Derrick Llewellyn, Captain of Fire Prevention Division with Central Jackson County Fire Protection District stating that he had a typo in the first email and that the container is allowed by code to store up to 1,000 lbs. and not 100 lbs. of a Class II Oxidizer (Nitrate Fertilizer). The outside of the container must be labeled appropriately to show that the fertilizer is being stored inside. Trosen stated that Staff recommends approval of the Conditional Use Permit to amend the site plan to allow a Conex Storage Container on-site subject to five conditions with condition 2 being amended to 1,000 instead of 100.
- Saydee Tschanen with Missouri Made Marijuana, Inc. introduced herself and explained that the Conex container is needed because when Building 1 was completed they found that there was very little storage space, and they couldn't give up growing or manufacturing areas for storage purposes.
- Commissioner Shafer asked how long you will need the container. Tschanen responded that she doesn't have a specific time frame, but they have every intention to build the other two approved buildings.
- Commissioner Hofstetter asked why you would store the packaging containers in the box. Tschanen responded that the jars and bags as well as the packaging stickers are packaged and sealed in boxes.
- Commissioner Greene asked if MMM does this type of storage anywhere else. Tschanen responded that at their facilities in Nevada, they have several Conex containers that are permanent storage. Nevada isn't as concerned with the containers being on-site as the City. She can appreciate the City's concerns especially since the Grain Valley facility and grounds with the landscaping and trees are so nice.
- Commissioner Greene asked Trosen if there is a time limit being recommended and if there can be one placed on the CUP. Trosen responded that Staff did not recommend a time limit but thought it would be controlled and removed once the build-out of the other two buildings concluded. However, the Commission can add a time limit in their recommendation to the Board of Aldermen.
- There was discussion regarding Captain Llewellyn's determination that 1,000 lbs. is allowed and if he reviewed the Material Safety Data Sheet (MSDS) for the fertilizer product that will be stored in the container or is this the allowable amount by Fire Code.
- Commissioner Greene asked Ms. Tschanen if she had the MSDS sheets with her. She said that she did not.

- Commissioner Greene asked if she had information from the manufacturer on the storage of the fertilizer. Tschanen said she does not but that they have been using these containers in Nevada for years storing the same materials and the temperatures are well into the 100s.
- Commissioner Greene expressed his concerns about moving forward and rubber-stamping this request without this information and that this could explode.
- Tschanen responded that this is not a hazardous material or is not classified as an explosive.
- Chair Shelton stated if Ms. Tschanen could pull up the MSDS sheets on her phone and share the information with the Commission.
- Tschanen downloaded the MSDS sheet for potassium nitrate and approached the dais to share her phone with Mr. Greene.
- There was discussion regarding moisture content. Mr. Greene said that he would like to see temperature range for storage. He thinks that it needs to be kept in a cool and moisture free environment and maybe an air conditioner is needed.
- Tschanen stated that she has been working with chemicals for 6 years and is licensed by the state for hazardous materials. She said they have not had any problems storing potassium nitrate in other containers.
- Chair Shelton confirmed that a decision can be made by a majority vote of those members present at the meeting. It will require 3 votes to pass this matter.
- City Attorney Carnes asked Tschanen if her employees are trained through OSHA. Tschanen responded yes.
- Tschanen extended an open invitation to members to tour the facility and stated that MMM is a poster child for the State because of all the protocol, labeling, security, and technology in place.
- Commissioner Shafer made a motion to close the public hearing. Commissioner Hofstetter second the motion. The Commission voted 4 to 0 to approve the motion.

The legal description is Lot 1, Black Industries, a subdivision in Grain Valley aka 415 E. South Outer Belt Road.

- Commissioner Shafer made a motion to approve the Conditional Use Permit with the 5 conditions in the Staff Report and add the CUP will expire in 5 years. Commissioner Hofstetter second the motion. Commissioners Shafer, Hofstetter and Shelton voted for the motion and Commissioner Greene voted against the motion. The motion passed by a vote of 3 to 1.

- 2. **Final Development Plan/Final Plat – Creekside Villas** – Requesting Final Development Plan and Final Plat approval for Creekside Villas. The proposed development is zoned District R-3p (Multi-Family Residential District – Planned Overlay District). The final development plan illustrates 28 units. The preliminary development plan was approved with 26 multi-family residential units. Each unit will be two bedrooms and one bathroom, all on one level. The exterior building material will be all brick. Creekside Villas will be a maintenance provided community. The development site is generally located west of Sni-A-Bar Parkway on the north side of Sni-A-Bar Blvd. The Final Plat is a replat of Lots 1 – 8, Creekside Landing, a subdivision in Grain Valley to Lot 1, Creekside Villas.

- Director Trosen said that he will need to amend the staff report. After the staff report was released, the Developer revised and submitted an Amended Final Development Plan that removed the two additional residential structures. The Amended Final Plan is identical to the approved Preliminary Development Plan. Staff recommends approval of the amended Final Development Plan and Final Plat for Creekside Villas. Trosen stated that the Developer, Jeff Handy, would like to address the Commission regarding the previous condition that all residents be 55 years of age and older.
- Commissioner Greene had questions regarding the location and the development plan. Jeff Handy, City Engineer Tuttle and Trosen answered those questions.
- Commissioner Greene asked if they are multi-story. Jeff Handy responded that they are single story, 2 bedroom and 1 bath.
- Commissioner Greene asked about the location of the fire hydrants. City Engineer responded that there are existing fire hydrants that comply with the spacing from structures.

- Mr. Handy stated that the first time the Commission met they recommended 55 and older and he would like this condition to be the same as the lease which is at least one person in the dwelling is of the age of 55 or older and that all other residents are at least 40 years of age.
- Chair Shelton asked City Attorney Carnes if the Commission makes that recommendation will it be okay with what the Board had previously approved. Carnes responded that the Board can decide when they hear this to approve your recommendation or stay with what was previously approved.
- Commissioner Shafer made a motion to approve the amended Final Development Plan and Final Plat for Creekside Villas and recommend at least one person in the dwelling is of the age of 55 or older and that all other residents are at least 40 years of age. Commissioner Hofstetter second the motion. The Commission approved the motion by a vote of 4 to 0.

ITEM VII: PREVIOUS BUSINESS

- None

ITEM VIII: NEW BUSINESS

- 1) **Discussion Only** – Amend Chapter 400, Zoning Regulations, of the City Code, specifically Section 400.230 Accessory Uses, C.2. Garages and accessory buildings – To allow larger detached garages and accessory buildings on larger lots.
- Director Trosen thanked City Attorney Carnes for drafting the proposed changes to Section 400.230 pertaining to allowable sizes for detached garages and detached accessory structures. Trosen explained the process to move forward with these changes.
 - Commissioner Shafer asked about the existing detached garages, did they build them without a permit. Trosen responded that hopefully those garages received variances or are under 1,000 square feet and permitted.
 - Commissioner Hofstetter asked how would this impact HOA's and when these buildings are not allowed. Carnes responded that HOA's are part of your deed and you need to follow those rules.
 - The Commissioners were supportive to move forward with the proposed changes for detached garages and detached accessory storage buildings.

Staff Report
October 13, 2021
Amendment to Comprehensive Plan Future Land Use Map

PURPOSE:

The purpose of this request is to amend the future land use map titled "Preferred Land Use Plan" that is in the City's Comprehensive Plan from Business Park to Commercial/Retail. The applicant is Cool Breeze Consultants, LLC from Katy, Texas. They are representing RV Retailer, LLC from Fort Lauderdale, Florida. RV Retailer Missouri Real Estate, LLC is currently under contract with the owner, Blue Springs Safety Storage South, LLC to purchase 11.93 acres. A letter from Blue Springs Safety Storage South LLC provides consent for the two applications filed by Cool Breeze.

BACKGROUND:

The Comprehensive Plan was last updated in August 2014. Section 400.335 (Amendments to Comprehensive Plan Future Land Use Map) in Chapter 400 (Zoning Regulations) of the City's Municipal Code outlines the process and criteria for review by the Planning and Zoning Commission.

The City's Comprehensive Plan contains a "Preferred Land Use Plan". The land use plan presents a vision of how the community will grow in the future and where future land uses will be located. This plan illustrates land use types such as single family, multi-family, commercial/retail, mixed use, and business park.

The Preferred Land Use Plan illustrates the approximate 12 acres referenced in the application as Business Park. This land use designation would comprise primarily with the zoning classifications associated with Industrial or Research and Development.

The City's Zoning Regulations includes a section that addresses the process and review criteria to amend the Comprehensive Plan Future Land Use Map.

After an application is filed with the required supporting documentation, the Planning and Zoning Commission must hold a public hearing to consider the proposed change. In determining whether the proposed amendment shall be approved, the Commission shall consider the following factors:

- 1) Whether events after the Comprehensive Plan adoption have change the character and/or condition of the area to make the application acceptable; and
- 2) Whether the change is consistent with the goals and policies of the plan; and
- 3) Whether the public services and utilities are adequate to serve the proposed land use in the map amendment; and
- 4) The impacts of the potential costs and benefits derived by the community or area by the proposed change.

After the public hearing, the Commission shall approve or deny the application. The Commission's decision is forwarded to the Board of Aldermen as a recommendation for their review.

*Community Development

**Page 2, Staff Report
Comprehensive Plan Future Land Use Map Amendment**

ANAYLSIS:

The proposed future land use map amendment illustrates the approximate 12 acres to be Commercial/Retail. RV Retailer intends to develop the property as an RV Sales and Service Center. An application has also been filed to change the zoning of the property from M-1 (Light Industrial) to C-2 (General Business).

Regarding the four factors above, Staff finds the following:

- 1) There has not been an event after the Comprehensive Plan adoption that has changed this area because this application is acceptable since this area has had the commercial zoning designation (District C-2) since 2006 and businesses have prospered and grown which required additional property (LifeStyle -Lot 1) and larger building space.
- 2) The goals and policies of the types of businesses in the Business Park and Retail/Commercial designations are very similar, create jobs and provide an additional base of property and sales tax revenue. The proposed map amendment to Commercial/Retail is still consistent to the goals and policies of the Comprehensive Plan.
- 3) The applicant's written statement states that the current owner will construct a commercial designated street adjacent to the proposed property. The current owner will also install sanitary sewer and water extensions to serve this property and adjoining proposed lots. RV Retailer will construct the necessary stormwater management facilities, gas, communication, and electric service extensions required to serve the site.
- 4) The benefits outweigh the costs for the city since there will be revenue from property and sales taxes and job creation whereas the new infrastructure will be installed by the developer and there should be little maintenance for several years. Other City services to be provided are snow removal and police protection.

PUBLIC INFORMATION AND PROCESS:

Public Notice was given in the Examiner and by letter to property owners of record with the County within 185 feet of the proposed future land use map amendment.

STAFF RECOMMENDATION:

Staff recommends approval to amend the Preferred Land Use Map in the City's Comprehensive Plan.

Mr. Trosen:

Please accept this letter and its attachments as our formal request for an amendment to the Comprehensive Plan and Future Land Use Plan from Business Park to Commercial Retail for the property referenced above. Attached to this letter please find the following items:

- Complete Application
- Check for Application Fee
- 24"x36" Exhibit showing the subject property and its adjacent neighbors
- Affidavit from property owner giving CBC permission to submit

Per page 9 of the application packet, additional information regarding the proposed request can be found below.

1. Area of Property – 11.93 Acres
2. Property Owner Information
 - a. Per county records, the owner is listed as Gordon F and James K Chrisman. My Client has entered into a contract to purchase the contract from the current owner and we have provided a letter from the owner in support of the application. As such, we request that communication be directed to the purchaser, listed below.

3. Description of Present Use of Property
 - a. Currently the property is vacant and used for agricultural uses, but carries a designation for Business Park in the Future Land Use Map. The property is zoned M-1 Light Industrial. Most of the surrounding uses are also M-1, with the exception of the neighbors to the southwest with C-2 Zoning. The neighbors to the southwest are a church and an RV Dealership, an industrial development to the northwest, vacant uses to the north and east, and the I-70 Frontage Road to the South

4. Description of the Proposed Use of the Property
 - a. My client intends to develop the property as an RV Sales and Service Center. As part of the plans, we are requesting an amendment to the Comprehensive Plan and Future Land Use Plan to change the designation from Business Park to Commercial Retail. We are also concurrently submitting an application to rezone the property from M-1 to C-2 to allow the proposed use and match the zoning to the southwest of the property. Lastly, the current owner/seller of the property will submit a preliminary plat to dedicate the property as a single lot.
5. Identification of Requested Classification
 - a. Commercial Retail
6. Description of Roads, Utilities, and Infrastructure Available
 - a. As part of the preliminary plat and development of the surrounding area, the current owner/seller of the property is proposing to construct roads to the north and east of the subject property. These roadway improvements will also include sanitary sewer and water extensions to serve the subject property and surrounding properties.
 - b. As part of the development of the property, my client will construct the necessary stormwater management facilities, gas, communication, and electric service extensions required to serve the site.
7. Summary of Proposed Amendment
 - a. We hereby request that the Future Land Use and Comprehensive Plan Designation for Lot 43 of the KC Industrial Park, located at 31904 E Jefferson, Grain Valley, MO 64029, be amended from Business Park to Commercial Retail. This request includes one lot of 11.43 acres that is currently used for agricultural purposes. The purpose of the request is to allow the property to be developed as an RV Sales and Service Center. As part of the development process, we are also concurrently applying to rezone the property from M-1 to C-2 to allow the proposed use and also to match the zoning to the southwest of the property. Lastly, the current owner/seller of the property will submit a preliminary plat to dedicate the property as a single lot.

Staff Report
Cool Breeze Consultants LLC
October 13, 2021

ACTION:

Cool Breeze Consultants LLC is requesting a change of zoning from District M-1 (Light Industrial) to District C-2 (General Business) on 11.93 acres. Cool Breeze is representing RV Retailer, LLC from Fort Lauderdale, Florida. The proposed use of land is for an RV Sales and Service Center.

RV Retailer Missouri Real Estate, LLC is currently under contract with the owner, Blue Springs Safety Storage South, LLC to purchase 11.93 acres. A letter from Blue Springs Safety Storage South LLC provides consent for the two applications filed by Cool Breeze. This rezoning application and the amendment to the Comprehensive Plan Future Land Use Map.

The 11.93 acres is generally east of NW Pamela Blvd., north of Jefferson Street and west of Valley Ridge Drive.

PURPOSE:

In the Zoning Regulations, the definition of automotive sales or rentals includes the sales or rentals of trailers and recreational vehicles, including parking and servicing of vehicles available to sell, rent, or lease. Automotive [sales or] rentals are a permitted use in District C-2 (General Business).

Blue Springs Safety Storage South has filed a final plat, East Kansas City Industrial Park, 16th Plat, that contains 35 acres and 14 lots. The 11.93 acres is included as Lot 43.

ANAYLSIS:

The property to the north and east is zoned District M-1 (Light Industrial). These areas are undeveloped and are included in the proposed final for EKCIP 16th Plat.

The area to the west is zoned the same designation, District C-2, and aligns with the proposed area to be rezoned. The land use to the west is a church and then west of that is an RV sales and service center.

The proposed use will not adversely affect properties in the general vicinity.

The applicant has provided a concept plan, building elevations, and landscape plan. Staff is not commenting on these plans and therefore the applicant should not take away that staff recommends approval of these drawings especially the proposed gravel parking area, chain link in the front yard or multiple detached signs. The review and comment process will occur during permitting.

COMPREHENSIVE PLAN:

Cool Breeze Consultants has also filed an application to amend the Comprehensive Plan's Future Land Use Map. The proposed land use illustrated in the map amendment match the geographical area in the requested rezoning.

PUBLIC INFORMATION AND PROCESS:

Public Notice was given in the Examiner and by letter to property owners of record with the County within 185 feet of the proposed change of zoning area.

STAFF RECOMMENDATION:

Staff recommends approval.

Final Plat – East Kansas City Industrial Park, 16th Plat

October 13, 2021

QUICK FACTS:

Blue Springs Safety Storage South LLC and Eagle Ridge Homes LLC are the property owners.

The property is currently zoned M-1 (Light Industrial). Cool Breeze Consultants have filed application for change of zoning on approximately 12 acres (proposed lot 43) from District M-1 to District C-2 (General Business).

The total number of lots are 14 and Tract A.

The total land area is approximately 35 acres with Tract A being slightly more than ½ acre that is designated for stormwater detention purposes.

The Comprehensive Plan's Future Land Use Map illustrates this area as Business Park. Cool Breeze Consultants have filed an application to amend the City's Comprehensive Plan Future Land Use Map pertaining to the 12 acres in the rezoning application to Commercial/Retail.

The preliminary plat was approved by the Planning and Zoning Commission on November 18, 2021.

ACTION:

For the Planning & Zoning Commission to approve the final plat for East Kansas City Industrial Park, 16th Plat.

ANALYSIS:

The final plat is slightly different than the approved preliminary plat. The preliminary plat proposed 18 lots and Tract A. The street network in the preliminary plat was ninety degree turns with bubble eyebrows.

In the final plat, the proposed lot 43 consists of primarily the lots south and west of the proposed street in the preliminary plat. Lot 43 will be approximately 12 acres. Some of the other lots in the final plat are slightly smaller than what was proposed before. The proposed street has a reverse curve which will provide a better travel pattern through the area than the previous plan.

STAFF RECOMMENDATION:

Staff recommends approval of the final plat for East Kansas City Industrial Park, 16th Plat.

BUILDING LINES:
CONSTRUCTION LINES DRAWN BY HAND FOR VERTICAL CORRELATION OF THE
USE ARE REQUIRED TO DEDICATED.

MAINTENANCE OF TRACTS: BUILDING LINES FOR 30' BACK FROM AND ALONG THE INTERSECTION OF MAIN STREET AND ACCOMPANYING PLAT AND NO ERECTION OR REVISION THEREOF SHALL BE CONTRACTED BETWEEN THIS LINE AND THE STREET RIGHT-OF-WAY.

PEDICATION:
 EXACT "A" IS TO BE USED FOR STORM WATER DETENTION AND SHALL BE
 MAINTAINED BY THE HOME OWNERS ASSOCIATION.

STAFF REPORT

Chapter 400 Amendment – Garages and Accessory buildings

October 13, 2021

PURPOSE:

Staff is requesting the Planning and Zoning Commission approve Resolution 2021-01 recommending to the Board of Aldermen that Section 400.230 be amended to allow the size of two detached garages/accessory buildings in residential zoned districts based on the size of the lot.

An accessory building is a structure which is on the same parcel of property as a principal structure and the use of which is incidental to the use of the principal structure. Examples are garages, barns, sheds, playhouses, and private greenhouses.

BACKGROUND:

In April of this year, the Board of Zoning Adjustment (BZA) granted a variance to allow a 4,800 square foot garage/barn on a 3.94 lot. The property is zoned R-1 (Single Family Residential).

On July 31, 2019, the BZA granted two variances for accessory structures on larger lots zoned R-1, one for 1,200 square foot structure on 1.15-acre lot and a 1,500 square foot structure on a 7.94-acre lot.

ANALYSIS:

The proposed amendments to Section 400.230 would allow the following:

- 1) If the residential zoned subdivision lot is greater than 1 acre and less than 3 acres, then two detached garages/accessory buildings may occupy not more than 30% of the rear yard and not more than 2,400 square feet per structure, whichever is smaller in area constructed in connection with the residential use of a property.
- 2) If the residential zoned subdivision lot is equal to or greater than 3 acres, then two detached garages/accessory buildings may occupy not more than 30% of the rear yard and not more than 5,000 square feet per structure, whichever is smaller in area constructed in connection with the residential use of a property.

During the September 8, 2021 Planning and Zoning meeting, Staff received feedback regarding the proposed changes. A request was made to provide examples of the different size of buildings that would be allowed and the larger lot dimension. Those examples are included.

PUBLIC INFORMATION AND PROCESS:

Public notice was given in the Examiner at least 15 days before the public hearing.

STAFF RECOMMENDATION:

Staff recommends approval.

RESOLUTION NO: 2021-01

A RESOLUTION OF THE PLANNING & ZONING COMMISSION OF THE CITY OF GRAIN VALLEY, MISSOURI, RECOMMENDING TO THE BOARD OF ALDERMEN THAT CHAPTER 400, ZONING REGULATIONS, OF THE CODE OF ORDINANCES BE AMENDED IN SECTION 400.230 (ACCESSORY USES).

WHEREAS, the Planning & Zoning Commission of the City of Grain Valley, Missouri now desires to recommend to the Board of Aldermen of the City that Chapter 400 of the Code of Ordinances of the City of Grain Valley be amended in Section 400.230 (Accessory Uses) pertaining to garages and accessory buildings regulations.

NOW, THEREFORE, BE IT RESOLVED BY THE PLANNING & ZONING COMMISSION OF THE CITY OF GRAIN VALLEY, MISSOURI, AS FOLLOWS, TO WIT:

SECTION 1. That the Planning & Zoning Commission of the City of Grain Valley, Missouri, hereby recommends that Chapter 400, Zoning Regulations, of the Code of Ordinances of the City of Grain Valley, Missouri be amended to read as follows:

C.2. Garages and accessory buildings.

- a. In a lot that does not exceed 43,560 square feet (1 acre) in size and lies within Districts "R-1", "R-1A", "R-1B", "R-1C" and "R-2", a detached garage, not exceeding twenty (20) feet or two (2) stories in height or in any case not higher than the main building, may occupy not more than thirty percent (30%) of a rear yard and not more than one thousand (1,000) square feet, whichever is smaller, and one (1) detached accessory storage building not in excess of two hundred fifty (250) square feet in area constructed in connection with the residential use of a property.
- b. In a lot that is **at least 43,560 square feet (1 acre), but does not exceed 130,680 square feet (3 acres)** in size and lies within Districts "R-1", "R-1A", "R-1B", "R-1C" and "R-2", **two detached garages/accessory buildings**, not exceeding twenty (20) feet or two (2) stories in height or in any case not higher than the main building, may occupy not more than thirty percent (30%) of a rear yard and **not more than two thousand four hundred (2,400) square feet per structure, whichever is smaller** in area constructed in connection with the residential use of a property.
- c. In a lot that **equal to or greater than 130,680 square feet (3 acres) in size** and lies within Districts "R-1", "R-1A", "R-1B", "R-1C" and "R-2", **two detached garages/accessory buildings**, not exceeding twenty (20) feet or two (2) stories in height or in any case not higher than the main building, may occupy not more than thirty percent (30%) of a rear yard and **not more than five thousand (5,000) square feet per structure, whichever is smaller** in area constructed in connection with the residential use of a property.

- d. In "A" District, detached garages and agricultural accessory buildings are limited to thirty percent (30%) of the area of the rear yard. In no case shall a detached garage or accessory building be located closer to the front of the lot than the front of the house or, in the case of corner lots, no closer than the required building setback lines for the zoning district.
- e. A garage or accessory building may be built not less than five (5) feet from a side lot line and not less than five (5) feet from the rear property line. Accessory buildings may not be placed on utility easements.
- f. **In a lot within Districts "R-1", "R-1A", "R-1B", "R-1C" and "R-2", the drives and parking areas for the new detached garage and detached accessory storage building shall be concrete.**
- g. With the exception of "M-1" or "M-2" Zoning Districts, inoperative vehicles may not be stored or repaired (other than in enclosed garages) on the premises.

SECTION 2. That this Resolution shall be in full force and effect immediately upon its execution by the Planning & Zoning Commission of the City of Grain Valley, Missouri.

**PASSED AND APPROVED BY THE PLANNING & ZONING COMMISSION OF
THE CITY OF GRAIN VALLEY, MISSOURI, THIS _____ DAY OF
