AGREEMENT

(2022 COMBAT Law Enforcement School Based Initiative (LESBI))

AN AGREEMENT by and between Jackson County, Missouri, hereinafter referred to as "County", and, **CITY OF GRAIN VALLEY, MISSOURI 711 MAIN STREET GRAIN VALLEY, MO 64029**, hereinafter referred to as "the City" made and entered into this _____ day of _____, 2022.

WHEREAS, the City has requested funding from County's Anti-Crime Sales Tax Funds to assist the City in defraying certain costs of its Law Enforcement School Based Initiatives (LESBI) or similar anti-drug; and anti-violence programs and,

WHEREAS, the County's Jackson County Drug Commission recommended and the County Legislature approved the City's request as an appropriate expenditure of Anti-Crime Sales Tax Funds; and,

WHEREAS, this Agreement provides a suitable mechanism by which the designated County funds shall be disbursed to the City;

NOW THEREFORE it is agreed by and between the parties as follows:

1. The County agrees to pay to the City a total amount not to exceed **\$82,534.00**. Upon execution of this agreement, Organization may submit an invoice documenting costs incurred dating back to January 1, 2022. Prior to September 30, 2022, and upon receipt and approval of the previous LESBI Semester Report, the final payment shall be made. This award is contingent upon collection of sales taxes as budgeted at the time of the contract award. If COMBAT funds are reduced, contractor will be informed of necessary contract revisions, as provided for in this Agreement. City agrees to submit semester program reports on forms provided by COMBAT Administration. All payments will be processed within 30 days of receipt of invoice, if the invoice is complete and accurate. All payments will be detained until the semester program reports are received and accurate. Any reports that are incorrect will delay payment.
2. The County agrees and acknowledges that the City shall use the proceeds of this Agreement, together with City funds and any federal or state grant funds which may have been awarded, to cover certain expenses of its LESBI or similar anti-drug and anti-violence programs, all as is more fully set out in the funding request and other documents attached hereto as Exhibit A, Program Budget Page attached hereto.
3. The City agrees that all proceeds of this Agreement shall be subject to audit by the County's Legislative Auditor or such other auditor as the County may designate. Additionally, the City agrees to contract for the performance of a

comprehensive audit in conformance with the Single Audit Act of 1984, and to forward two copies of the audit report to the Jackson County COMBAT Commission, one of which will be forwarded to the County's Department of Finance and Purchasing.

4. The City shall provide an annual program report at the end of each calendar year summarizing all activities of its LESBI or similar anti-drug and anti-violence programs to the Jackson County COMBAT Commission containing such particulars as said Commission might specify.
5. Section 9304 of the Jackson County Code states "Any proceeds from the Anti-Drug Sales Tax creating jobs and employment shall have a twenty percent goal for minority hiring and employment." Organization shall use its best efforts to meet this goal.
6. City agrees that evaluative outcomes shall be given priority status. COMBAT Administration will monitor City to assure that not only are the terms of this Agreement being fulfilled, but also to monitor the treatment program's impact on drug use. City agrees to participate in an effectiveness evaluation of the City's program objectives and an overall evaluation of specific core items, as required by COMBAT Administration. City further agrees to utilize an agency specific evaluation document. City agrees to participate in and respond to periodic COMBAT Administration evaluations, assessments, and data inquiries. The COMBAT Administration will evaluate City performance periodically based on the City's semester performance reports and compliance with contractual provisions. The County reserves the right to terminate this Agreement pursuant to paragraph 12 if the City does not meet stated performance measures and contractual requirements. COMBAT will conduct unannounced site visits to any and all agencies.
7. If the City receives or obtains any media attention because of this project, the City is required to acknowledge that funding for the project is from COMBAT funds. Printed material involving this program shall contain the COMBAT logo and a COMBAT sign shall be posted at the program site(s) for the duration of the contract.
8. This Agreement shall be effective as of January 1, 2022, and extend through December 31, 2022, for expenses incurred during the same time period.
9. To the extent allowed by law, the City shall indemnify, defend, and hold the County harmless from any and all claims, liabilities, damages, and costs (including reasonable attorney's fees directly related thereto) caused by the negligence or willful misconduct of the City or its employees, agents, or representatives.

10. The City warrants that no officer or employee of the County, whether elected or appointed, shall in any manner whatsoever be interested in or receive any benefit from the profits or emoluments of this Agreement.
11. Pursuant to §285.530.1, RSMo, City assures that it does not knowingly employ, hire for employment, or continue to employ an undocumented immigrants to perform work within the State of Missouri and/or Jackson County, and shall affirm, by sworn affidavit and provision of documentation, its enrollment and participation in a federal work authorization program with respect to the employees working in connection with the contracted services. Further, City shall sign an affidavit, attached hereto and incorporated herein as Exhibit B, affirming that it does not knowingly employ any person who is an unauthorized alien in connection with the contracted services.
12. This Agreement may be terminated for any reason or no reason by either of the parties upon thirty (30) days written notice to the party's designated fiscal representative. All services and payments shall continue through the effective date of termination. Termination of this Agreement shall not constitute a waiver of the rights or obligations which the County or the City may be entitled to receive as provided in this Agreement, or be obligated to perform under this Agreement for services prior to the date of termination. Should this Agreement terminate, all County written materials of any kind must be delivered and returned by the City to the County within ten (10) days of the termination of this Agreement.

IN WITNESS WHEREOF, this Agreement has been executed this _____ day of _____, 2022.

PURPOSE	To enhance safety and enforcement of traffic ordinances on roadways in Grain Valley, Missouri.	

BACKGROUND	The City of Grain Valley has received these grants for the past ten years. The grants have been, and will continue to be, used for DWI enforcement and hazardous moving violations such as speed, careless driving, red light and stop sign violations. These grants have had an overall positive impact on the safety of Grain Valley citizens, especially in significant traffic accident reduction over the past year, via the initiative set forth by the Board of Aldermen in relation to these grants. These grants are 100% funded by the State with no matching funds from the city. Grain Valley police officers will work overtime for DWI and hazardous moving violation enforcement with overtime paid by the city. The state will then reimburse the city for 100% of the overtime worked by the police officers. Funds will be distributed from State of Missouri to Grain Valley, upon the city's request.
SPECIAL NOTES	This agreement requires signatures from all elected officials of the City of Grain Valley, Missouri for each separate grant.

PROBLEM IDENTIFICATION

Substance-impaired drivers contributed to 22.0 percent of Missouri's traffic crash fatalities during the past five years. Alcohol remains the primary contributor to substance-impaired driving crashes; however, the number of persons under the influence of prescription medications and/or illicit drugs continues to increase. Male drivers were more likely than females to be involved in substance-impaired driving crashes. During the past five years, males were responsible for 80.2 percent of substance-impaired driving fatalities. Nine percent of the children less than 15 years of age, who were killed in motor vehicle crashes over the last five years, were riding with a substance-impaired driver who often was an underage-impaired driver.

Grain Valley is located in eastern Jackson County Missouri along Interstate 70 with additional access via US 40 Highway, State Route AA and State Route BB Highways. It is approximately 20 miles east of Kansas City with a population of 15,627 (per the 2020 Census) in roughly 6 square miles. Considered to be a residential community, there has been an increase in businesses locating to Grain Valley. Currently, Grain Valley has one bar with a 3:00 am license and seven 1:30 am licenses for the pubs, restaurants and movie theatre.

According to the Missouri State Highway Patrol crash statistics, there were 411 crashes in Grain Valley between 2018 and the end of 2020. Of those crashes, 19 were alcohol or drug related resulting in 6 people injured and 13 crashes resulting in property damage. During this same time frame, 73 DWI arrests were made through routine patrol and grant funded enforcement.

Department statistics show that most DWI arrests occur between midnight and 4:00 am. Highway Patrol statistics show that drinking involved crashes begin increasing at 7:00 pm and stop at 4:00 am. A large number of crashes occur during the 9:00 pm hour and then again from 11:00 pm through 4:00am. Our officers will make the most impact working shifts between 9:00 pm and 3:00 am or from 10:00 pm through 4:00 am.

GOALS/OBJECTIVES

Core Performance Measure Goals

1. Based on a goal of 0 fatalities by 2030, Missouri is projecting a five-year average target of 222.8 alcohol-impaired driving involved fatalities by December 31, 2022.

To provide additional officers on patrol during the time when impaired driving is the highest in order to decrease the number of alcohol and/or drug related accidents within the city limits of Grain Valley .

PROJECT DESCRIPTION

Two officers will be assigned to conduct extra patrol city wide with emphasis on US 40 Highway and State Routes AA and BB during the designated MoDOT quarterly DWI Campaigns. These are the main roads that lead in and out of Grain Valley.

Each quarterly enforcement will run for 6 hours either from 9:00 pm to 3:00 am or from 10:00 pm to 4:00 am on Friday/Saturday or Saturday/Sunday. Reports show that these days and times have the highest incidence of arrests for impaired driving. This puts officers out on the road when residents are either returning from their night out or bar patrons are leaving other establishments outside of Grain Valley to take advantage of our bar that is still open.

SUPPLEMENTAL INFORMATION

<u>Question</u>	<u>Answer</u>
You must answer the following questions.	
1 Does your agency have and enforce an internal safety belt policy for all personnel?	Yes
2 Does your agency have and enforce a policy restricting cell phone use while driving?	Yes
3 Does your agency report racial profiling data annually?	Yes
4 Does your agency report to STARS?	Yes
5 Does your agency report UCR information annually?	No
6 Please explain any NO answer(s) to questions 1-5: Our agency submits MIBRS data to the Missouri State Highway Patrol monthly	
7 Have any of your officers/personnel been debarred and are therefore not eligible to receive federal funds for reimbursement of salary, fringe benefits, or overtime?	No
8 Does your agency have adequate manpower to fully expend the funds requested in this application?	Yes
9 If NO, please explain.	
10 Have any significant changes occurred with your agency within the last year that would affect performance, including personnel or system changes?	No
11 If YES, please explain.	
12 Are you aware of any fraud, waste or abuse on grant projects in your office/agency within the last 5 years?	No
13 If YES, please explain.	
14 If your agency received Highway Safety grant funding in the last three (3) fiscal years and there were unexpended balances, please explain why. We have had unused funds for several years. We have fought large staff shortages multiple times using overtime just to cover the road. Our department also limited patrol twice during the COVID-19 pandemic with our most recent lift of limited patrol being the summer of 2021.	
15 Did your political entity receive more than 80% of its annual gross revenues in Federal Awards in your preceding fiscal year?	No
16 Did your political entity receive \$25,000,000 or more in Federal Awards in your preceding fiscal year?	No

17 If you answered NO to either question 15 and 16, DO NOT answer this question. If you answered YES to both question 15 and 16, and the public does not have access to this information, list the names and compensation amounts of the five most highly compensated employees in your business or organization (the legal entity to which the DUNS number it provided belongs).

Please use the most current 12-months of data available for answering questions 18-23. INCLUDE ALL OF YOUR AGENCY'S STATISTICS, NOT JUST THOSE ISSUED DURING GRANT ACTIVITY.

The following information explains the strategies your agency will use to address the traffic crash problem. This information is considered to be the Project Description and should be specific to the crash problem.

43 Identify primary enforcement locations.

Enforcement will be city wide with emphasis on State Route BB (Main St., Buckner Tarsney Rd), State Route AA Highway (SW Eagles Pkwy), and US 40 Highway. State Highway Patrol reports show that 48% of crashes between 2018 and 2020 occurred on these main roads and 22% of crashes had these main roads intersecting at or near the crash location.

44 Enter the number of enforcement periods your agency will conduct each month. 1

45 Enter the months in which enforcement will be conducted.

Enforcement will be conducted during each of the quarterly campaigns set up by MoDOT. They include St. Patrick's Day in March, the Youth Alcohol campaign in May, Independence Day in July and the Holiday Enforcement in December.

46 Enter the days of the week in which enforcement will be conducted.

Department statistics show that most DWI arrests occur on Saturdays and Sundays. Those are also the days that have the highest incidence of drinking involved crashes.

47 Enter the time of day in which enforcement will be conducted.

Each enforcement will run from either 9 pm to 3 am or from 10 pm through 4 am on Friday/Saturdays or Saturday/Sundays. Department reports show that these days and times have the highest incidence of arrests for impaired driving. This puts officers out on the road when residents are either returning from their night out or bar patrons are leaving other establishments outside of Grain Valley to take advantage of our bar that is still open.

48 Enter the number of officers assigned during the enforcement period. 2

49 If equipment or supplies are requested to conduct this project, explain below why it is needed and how it will be used.

PROJECT EVALUATION

The MHTC will administratively evaluate this project. Evaluation will be based, at a minimum, upon the following:

1. Law enforcement compliance with state UCR, Racial Profiling, and STARS reporting requirements (law enforcement contracts only)
2. Timely submission of monthly reimbursement vouchers and appropriate documentation to support reimbursement for expenditures (i.e., personal services, equipment, materials)
3. Timely submission of periodic reports (i.e., monthly, quarterly, semi-annual) as required
4. Timely submission of the Year End Report of activity (due within 30 days after contract completion date)
5. Attaining the Goals set forth in this contract*
6. Accomplishing the Objectives* established to meet the project Goals, such as:
 - Enforcement activities (planned activities compared with actual activities)
 - Programs (number and success of programs held compared to planned programs, evaluations if available)
 - Training (actual vs. anticipated enrollment, student evaluations of the class, student test scores on course examinations, location of classes, class cancellation information)
 - Equipment purchases (timely purchase of equipment utilized to support and enhance the traffic safety effort ; documentation of equipment use and frequency of use)
 - Public awareness activities (media releases, promotion events, or education materials produced or purchased)
 - Other (any other information or material that supports the Objectives)
7. The project will be evaluated by the Highway Safety and Traffic Division through annual crash analysis .

Evaluation results will be used to determine:

- The success of this type of activity in general and this particular project specifically ;
- Whether similar activities should be supported in the future; and
- Whether grantee will receive funding for future projects.

*Evaluation and requests to fund future projects will not be based solely on attaining Goals and/or Objectives if satisfactory justification is provided.

This department will see the project as a success when the amount of accidents decrease. Though this may not happen initially, over time it is the hope that the increased presence of patrol will get the attention of drivers and help encourage better decision making or planning when enjoying a night out.

Success of the project will be evaluated using crash data and citation, warning, and/or car stop data kept internally through our records management system. Statistics will be used to track the correlation of car stop/police presence and crash number reduction.

PROBLEM IDENTIFICATION

Speed and aggressive driving can be any one of us, when we make the choice to drive over the speed limit; change lanes several times in a short distance and/or follow too closely. Aggressive driving is a costly decision, often made in an instant, but can have lifelong consequences. According to the National Highway Traffic Safety Administration, aggressive driving is when an individual commits a combination of moving traffic offenses so as to endanger other persons or property. During the last five years (2015-2019), the combination of aggressive driving behaviors contributed to 53 percent of fatalities and 44 percent of serious injuries in Missouri. Speed-related conditions, including exceeding the speed limit and too fast for conditions, accounted for the most fatalities of all aggressive driving behaviors. Thirty-six percent of all Missouri fatalities over the last five years were speed related.

Grain Valley is located in eastern Jackson County Missouri along Interstate 70 with additional access via US 40 Highway, State Route AA and State Route BB Highways. It is approximately 20 miles east of Kansas City with a population of 15,627 residents within roughly 6 square miles. Considered to be a residential community, there has been an increase in businesses locating to Grain Valley.

According to the Missouri State Highway Patrol crash statistics, there were 411 crashes in Grain Valley between 2018 and the end of 2020. Of those crashes, 65 were injury crashes with 80 people reporting minor injuries and luckily only 7 reporting disabling injury. No fatalities were reported during this reporting period. High crash days were Monday, Tuesday, Thursday, Friday, and Saturday with the highest number of crashes occurring from 2:00 pm through 6:00 pm. There was also a spike in crash occurrences during the morning commute from 7:00 am through 9:00 am.

Contributing factors include the following:

Failed to Yield - 16%

Distracted / Inattentive Driving - 15%

Following Too Close - 7%

Too Fast for Conditions - 5%

Speed - Exceeding Limit - 5%

Vision Obstructed - 4.8%

GOALS/OBJECTIVES

Core Performance Measure Goals

1. Based on a goal of 0 fatalities by 2030, Missouri is projecting a five-year average target of 361.0 speed related fatalities by December 31, 2022.

Grant funding will provide additional officers for patrol during high crash days and times to enforce traffic laws in order to decrease the occurrence of accidents within the city limits of Grain Valley .

PROJECT DESCRIPTION

Officers will conduct extra patrol city wide with emphasis on the main thoroughfares within the city (US 40 Highway, State Routes AA and BB Highways) twice a month. Enforcement periods will focus on Monday, Tuesday, Thursday and Friday during the afternoon and early evening during the months of October, November, December, February, May, and September. It has been shown that increased police presence can have an impact on drivers and their decisions,. Whether the officers are stationary and running radar for speeders in high traffic areas or traveling the roadways , our goal is to make drivers aware for their own safety and the safety of others.

SUPPLEMENTAL INFORMATION

<u>Question</u>	<u>Answer</u>
You must answer the following questions.	
1 Does your agency have and enforce an internal safety belt policy for all personnel?	Yes
2 Does your agency have and enforce a policy restricting cell phone use while driving?	Yes
3 Does your agency report racial profiling data annually?	Yes
4 Does your agency report to STARS?	Yes
5 Does your agency report UCR information annually?	No
6 Please explain any NO answer(s) to questions 1-5: Our agency submits MIBRS data to the Missouri State Highway Patrol monthly	
7 Have any of your officers/personnel been debarred and are therefore not eligible to receive federal funds for reimbursement of salary, fringe benefits, or overtime?	No
8 Does your agency have adequate manpower to fully expend the funds requested in this application?	Yes
9 If NO, please explain.	
10 Have any significant changes occurred with your agency within the last year that would affect performance, including personnel or system changes?	No
11 If YES, please explain.	
12 Are you aware of any fraud, waste or abuse on grant projects in your office/agency within the last 5 years?	No
13 If YES, please explain.	
14 If your agency received Highway Safety grant funding in the last three (3) fiscal years and there were unexpended balances, please explain why. We have had unused funds for several years. We have fought large staff shortages multiple times using department overtime for road/shift coverage. Our department also limited patrol twice during the COVID-19 pandemic with our most recent lift of limited patrol being the summer of 2021.	
15 Did your political entity receive more than 80% of its annual gross revenues in Federal Awards in your preceding fiscal year?	No
16 Did your political entity receive \$25,000,000 or more in Federal Awards in your preceding fiscal year?	No

17 If you answered NO to either question 15 and 16, DO NOT answer this question. If you answered YES to both question 15 and 16, and the public does not have access to this information, list the names and compensation amounts of the five most highly compensated employees in your business or organization (the legal entity to which the DUNS number it provided belongs).

Please use the most current 12-months of data available for answering questions 18-23. INCLUDE ALL OF YOUR AGENCY'S STATISTICS, NOT JUST THOSE ISSUED DURING GRANT ACTIVITY.

18 Total number of DWI violations written by your agency.	11
19 Total number of speeding citations written by your agency.	101
20 Total number of HVM citations written by your agency.	49
21 Total number of child safety/booster seat citations written by your agency.	0
22 Total number of safety belt citations written by your agency.	11
23 Total number of warnings issued.	618

Use the most current three years crash data from the Missouri State Highway Patrol (MSHP) or your internal record management system for questions 24-34.

41 Total number of PBTs.	4
42 Total number of Breath Instruments.	1

The following information explains the strategies your agency will use to address the traffic crash problem. This information is considered to be the Project Description and should be specific to the crash problem.

43 Identify primary enforcement locations.

Enforcement will be city wide with emphasis on State Route BB (Main St., Buckner Tarsney Rd), State Route AA Highway (SW Eagle's Pkwy), and US 40 Highway. State Highway Patrol reports show that 48% of crashes between 2018 and 2020 occurred on these main roads and 22% of crashes had these main roads intersecting at or near the crash location.

44 Enter the number of enforcement periods your agency will conduct each month. 2

45 Enter the months in which enforcement will be conducted.

Enforcement will occur during the following months: October, November, December, February, May, and September. These are the months with the highest incidents of crashes.

46 Enter the days of the week in which enforcement will be conducted.

Report statistics show that the highest number of crashes occur on the following days: Monday, Tuesday, Thursday and Friday. Traffic enforcement will focus on these days.

47 Enter the time of day in which enforcement will be conducted.

According to reports, the highest number of crashes occur between the hours of 2:00 pm and 6:00 pm. There was also a spike in crash occurrences during the morning commute from 7:00 am through 9:00 am. Officers will have the greatest impact if we concentrate on the afternoon hours instead of other times during the day. This will focus on students leaving school and citizens returning home in the evenings. Enforcement will be for a 4 hour period between 2:00 pm and 6:00 pm.

48 Enter the number of officers assigned during the enforcement period. 1

49 If equipment or supplies are requested to conduct this project, explain below why it is needed and how it will be used.

PROJECT EVALUATION

The MHTC will administratively evaluate this project. Evaluation will be based, at a minimum, upon the following:

1. Law enforcement compliance with state UCR, Racial Profiling, and STARS reporting requirements (law enforcement contracts only)
2. Timely submission of monthly reimbursement vouchers and appropriate documentation to support reimbursement for expenditures (i.e., personal services, equipment, materials)
3. Timely submission of periodic reports (i.e., monthly, quarterly, semi-annual) as required
4. Timely submission of the Year End Report of activity (due within 30 days after contract completion date)
5. Attaining the Goals set forth in this contract*
6. Accomplishing the Objectives* established to meet the project Goals, such as:
 - Enforcement activities (planned activities compared with actual activities)
 - Programs (number and success of programs held compared to planned programs, evaluations if available)
 - Training (actual vs. anticipated enrollment, student evaluations of the class, student test scores on course examinations, location of classes, class cancellation information)
 - Equipment purchases (timely purchase of equipment utilized to support and enhance the traffic safety effort ; documentation of equipment use and frequency of use)
 - Public awareness activities (media releases, promotion events, or education materials produced or purchased)
 - Other (any other information or material that supports the Objectives)
7. The project will be evaluated by the Highway Safety and Traffic Division through annual crash analysis .

Evaluation results will be used to determine:

- The success of this type of activity in general and this particular project specifically ;
- Whether similar activities should be supported in the future; and
- Whether grantee will receive funding for future projects.

*Evaluation and requests to fund future projects will not be based solely on attaining Goals and/or Objectives if satisfactory justification is provided.

This department will see the project as a success when the amount of accidents decrease. Though this may not happen initially, over time it is the hope that the increased presence of patrol will get the attention of drivers, making them aware for their own safety and the safety of others.

Memorandum

To: Mark Trosen, Director of Community Development; Ken Murphy, City Administrator
From: Andrew Woltz, Mechanic
Date: 03/02/2022
Re: Tire Skid Steer Purchase

The current tire skid steer in the Public Works department is now 25 years old with over 3,000 hours on it. Every time it goes in the field it comes back needing repair due to the age of the machine. The main use is road repair and maintenance, and the pavement grinder will not work on it due to not having the correct hydraulics and electrical plug in connector.

New machines were tested from Bobcat, Caterpillar, and Kubota. John Deere was contacted and could not provide a machine for testing and withdrew. After testing and discussion the Kubota was identified as the best replacement for current and future use.

This new tire skid steer will be primarily used for road maintenance and repair operations, keeping the tracked skid steer off of road use, and extended the life of the tracks and undercarriage.

The old tire skid steer will be sold via Purple Wave auctions.

Respectfully Submitted,

Andrew Woltz, Mechanic

GENERAL TERMS AND CONDITIONS

1. ACCEPTANCE AND PRICES

These terms and conditions are an integral part of Stanger Industries Inc. ("Seller")'s firm offer and form the basis of any agreement resulting from Seller's proposal. The proposal is subject to acceptance within 30 days from its date. By accepting this proposal, the Buyer is stating that they either have access, or will secure access to the funds with which immediate payment for the work can be made. Stanger Industries has not included any financing fees in the quoted price.

2. PERFORMANCE

Seller shall be obligated to furnish only the material, equipment, and labor specifically described in the Seller's proposal. No additional work will be performed unless agreed to in writing prior to the commencement of the work. All work will be performed in a professional manner according to standard industry practices. Unless specifically noted in the Seller's proposal, all work will be performed between the hours of 8am and 4:30pm, Monday thru Friday, excluding holidays.

3. TERM OF CONTRACT

(a) The term of the contract shall be for (1) year from the date of execution of the agreement.

(b) Automatic Renewal: This agreement shall be automatically renewed each year unless either party gives written notice of at least (90) days prior to the expiration of the agreement. The contract amount is to be increased by 2% annually unless a different amount is mutually agreed upon.

4. TAXES

No Local, State, or Federal Taxes are included unless specifically noted in the Seller's proposal. Any taxes that may become due will be billed in addition to the quoted price unless specifically noted as being included in the quoted amount.

5. WARRANTY

Seller's warranty obligation is limited to the following:

Seller warrants for a period of 30 Days from the completion of the work that the seller's workmanship shall be free from defects. Seller warrants materials and parts purchased by Seller from others, only to the extent that the same are warranted by the suppliers thereof. Removal and installation of any equipment or materials repaired or replaced under a manufacturer's warranty will be at Customers expense and billed at the current hourly rate in effect. Additional equipment warranty may be available if specifically noted in the Seller's proposal. This warranty is voidable in the event of non-payment by the Buyer for goods and services rendered.

6. INDEMNITY

Seller and Buyer shall indemnify and hold each other harmless from any and all claims, actions, expenses, damages and liabilities, including reasonable attorney's fees resulting from death or bodily injury or damage to real or tangible property, to the extent caused by the negligence or misconduct of their respective employees or other authorized agents in connection with their activities within the scope of this agreement. Neither party shall indemnify the other against claims, damages, expenses or liabilities to the extent attributable to the negligence or misconduct of the other party. The duty to indemnify will continue in full force and effect, notwithstanding the expiration or early termination hereof, with respect to any claims based on facts or conditions that occurred prior to expiration or termination.

7. INSURANCE

Seller agrees to maintain the following insurance during the term of the contract with limits not less than shown below and will, upon request from the Buyer, provide a Certificate of Insurance evidencing this coverage:

Commercial General Liability	\$1,000,000 per occurrence	Automobile Liability	\$1,000,000 CSL
Workers Compensation	Statutory Limits		

8. LIABILITY DISCLAIMER

NOTWITHSTANDING ANY PROVISION TO THE CONTRARY, IN NO EVENT SHALL SELLER BE LIABLE FOR ANY SPECIAL, INCIDENTAL, CONSEQUENTIAL (INCLUDING WITHOUT LIMITATION LOST REVENUE OR

PROFITS), OR PUNITIVE DAMAGES. This exclusion applies regardless of whether such damages are sought based on breach of warranty, breach of contract, negligence, strict liability in tort, or any other legal theory. Seller shall not be liable for any delay, damage, or loss caused by unavailability of machinery, equipment, materials, delay of carriers, acts of God, fire, riots, labor disputes, lockouts, civil or military authority, conditions of the premises, acts or omissions of the purchaser, owner, or other contractors, or delays caused by suppliers or subcontractors of seller. **SELLER DISCLAIMS ANY LIABILITY FOR DAMAGES OF ANY KIND (WHETHER DIRECT OR INDIRECT) ARISING FROM MOLD, FUNGUS, BACTERIA, MICROBIAL GROWTH, OR ANY OTHER CONTAMINANTS OR AIRBORNE BIOLOGICAL AGENTS.**

9. CANCELLATION

This agreement may be cancelled by either party with written notice of at least (90) days. Buyer shall be liable to the Seller for any costs incurred by the Seller for material and or equipment procured for the performance of maintenance services as stipulated in the agreement.

10. PAYMENT

Payment terms are 100% net within 30 days of receipt of the invoice unless otherwise expressly agreed to in writing by Seller. Seller reserves the right to add to any account outstanding for more than 30 days a service charge the lesser of 1-1/2% of the principal amount due at the end of each month, or the maximum allowable legal interest rate. Buyer shall be liable to Seller for all collection expenses, including reasonable attorney's fees and court costs, incurred by Seller in attempting to collect any amounts due from Buyer. If requested, Seller will provide appropriate lien waivers upon receipt of payment. Seller reserves the right to suspend or terminate performance in the event of the Buyer's non-payment.

FAILURE TO PAY FOR THE MATERIALS AND OR SERVICES RENDERED UNDER THIS AGREEMENT CAN RESULT IN THE FILING OF A MECHANIC'S LIEN ON THE PROPERTY WHICH IS THE SUBJECT OF THIS CONTRACT.

NOTICE TO OWNERS OF BUILDINGS LOCATED IN MISSOURI

FAILURE OF THIS CONTRACTOR TO PAY THOSE PERSONS SUPPLYING MATERIAL AND OR SERVICE TO COMPLETE THIS CONTRACT CAN RESULT IN THE FILING OF A MECHANIC'S LIEN ON THE PROPERTY WHICH IS THE SUBJECT OF THIS CONTRACT PURSUANT TO CHAPTER 429RSMO. TO AVOID THIS RESULT, YOU MAY ASK THIS CONTRACTOR FOR LIEN WAIVERS FROM ALL PERSONS SUPPLYING MATERIAL OR SERVICES FOR THE WORK DESCRIBED IN THIS CONTRACT. FAILURE TO SECURE LIEN WAIVERS MAY RESULT YOUR PAYING FOR LABOR AND MATERIAL TWICE.

NOTICE TO OWNERS OF BUILDINGS LOCATED IN KANSAS

KANSAS LAW WILL ALLOW A SUPPLIER OR SUBCONTRACTOR ON THIS CONTRACT TO FILE A LIEN AGAINST YOUR PROPERTY FOR MATERIALS OR LABOR NOT PAID FOR BY THE PRIMARY CONTRACTOR UNLESS YOU HAVE A WAIVER SIGNED BY THE SUPPLIER OR THE SUBCONTRACTOR. IF YOU RECEIVE A NOTICE OF FILING OF A LIEN STATEMENT BY THE SUPPLIER OR SUBCONTRACTOR, YOU MAY WITHHOLD FROM THE PRIMARY CONTRACTOR THE AMOUNT CLAIMED UNTIL THE DISPUTE IS SETTLED.

VIGILANT LEARN

INVESTIGATIVE INTELLIGENCE SUITE

Big data alone doesn't solve more crime; it just creates more work. Advanced image and video analytics such as facial recognition, license plate recognition and ballistics image analysis, as well as unified agency data search and mapping tools can deliver much needed efficiencies to make the most of your data so you can close more cases.

Vigilant LEARN harnesses these capabilities and empowers your investigators with actionable intelligence to quickly identify vehicles and persons of interest, accurately locate suspects and safely apprehend criminals in order to keep your community protected.

KEY BENEFITS

Quickly Generate Leads

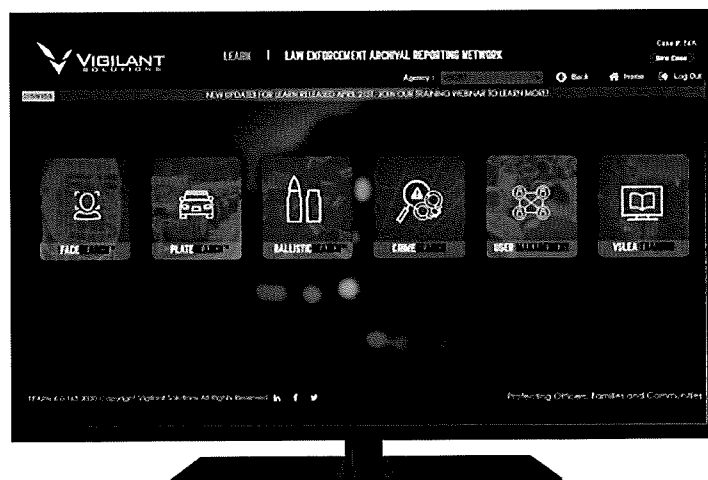

Start your investigations by identifying who or what you're looking for.

Accurately Locate Suspects

Improve investigative efficiency by knowing exactly where to find your suspect.

Safely Apprehend Criminals

Build a comprehensive picture of an investigation to better prepare for arrests.

LEVERAGE LPR TECHNOLOGY

License plate recognition technology works within your current technology ecosystem to more efficiently receive alerts, while empowering data-driven decisions through key analytics and reporting.

MOBILE AND FIXED LPR CAMERAS

Equip enforcement vehicles and off-street parking locations with mobile and fixed LPR cameras for efficient enforcement and data insights. Leverage other law enforcement agencies cameras to expand your network.

VIGILANT MOBILE COMPANION

Put the power of LPR in the hands of your enforcement officers with Vigilant Mobile Companion. Great for small operations or as a supplemental tool to your existing LPR ecosystem.

COMMERCIAL DATA

Through the largest LPR database in North America, generated from the asset recovery industry, customers have the option to receive near real-time alerts on scofflaw detections without needing to invest in LPR cameras.

WEB-BASED USER INTERFACE

Vigilant LEARN houses license plate detection information, along with dashboards, reports and zone configuration. This data is stored on our secure server and can only be searched by authorized personnel.

VEHICLE BASED REPORTS

RECEIVE ALL LOCATIONS OF LPR SCANS

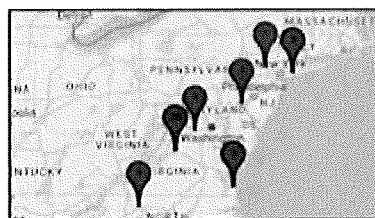

Review historical data to see where a vehicle has been.

RECENT & POPULAR LOCATIONS

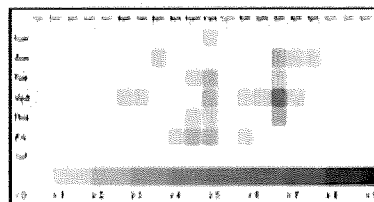

Break down big data to quickly locate where a vehicle is likely to be seen.

STATISTICALLY MAP A VEHICLE

View a heat map with the time of day and day of week where a vehicle has been seen.

Location Name	4
Location Type	Workplace
Sightings	23
Total Sightings with LPR	67
% Seen	34.33%
Vehicle Frequency	High
First Seen	05/21/2014
Last Seen	01/28/2018
Vehicle Model Seen	Varied
Last LPR Visit Date	01/28/2018

LOCATION BASED REPORTS

SEARCH BY YEAR/MAKE/MODEL

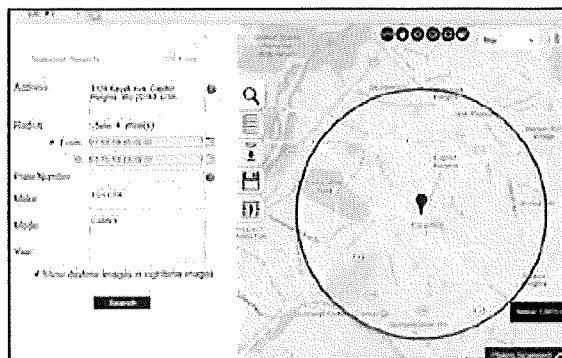

Find vehicles based on descriptions rather than a license plate

MAP BY LOCATION

Search a designated location within 0.1 - 2.0 mile range

REQUEST A COMMON PLATE

Receive a report of all vehicles scanned in two or more event locations.

MOTOROLA SOLUTIONS

Projected Quotation Mobile LPR Systems

Ken,

I reached out to Motorola Solutions Sales Department (Daniel Ploesser) Regional Sales Manager to inquire about their L5M Mobile LPR System. Below is a summary of what Motorola Solutions recommended through their current promotion.

BOA Staff Report
Eagle Ridge Multi-Family 3rd Plat
February 28, 2022

PURPOSE: The purpose of this request is to gain final plat approval for this phase of Eagle Ridge Multi-Family 3rd Plat.

BACKGROUND: This property is approximately 8.40 acres in size. The property is generally located east of NW Eagle Ridge Drive. The land is zoned District R-2 (Duplex Residential).

The preliminary plat for the Eagle Ridge Multi-Family subdivision that includes these lots was previously approved by the Planning and Zoning Commission on November 18, 2020. Also, at the November 18th meeting, the Planning and Zoning Commission meeting held a public hearing and recommended that this area be rezoned from District M-1 (Light Industrial) to District R-2 (Duplex Residential). The Board of Aldermen passed Ordinance 2536 on January 11, 2021 approving the change of zoning.

ANALYSIS: This final plat is an extension of the existing Eagle Ridge Multi-family subdivision and will contain 32 lots. The structures will be two-family residences and will be very similar in style/size as the existing homes on NW Eagle Ridge Drive. This final plat is in conformance with City standards and engineering civil plans have been approved by City Engineer.

PLANNING AND ZONING COMMISSION: The Commission voted at the February 9, 2022 to recommend approval to the Board of Aldermen.

STAFF RECOMMENDATION: Staff recommends approval.

BOA Staff Report
Eagle Ridge Estates – 5th Plat
February 28, 2022

PURPOSE: The purpose of this request is to gain final plat approval for Eagle Ridge Estates – 5th Plat consisting of lots 135 thru 142, lots 167 thru 181, lots 198 thru 205 and Tract B.

BACKGROUND: This property is approximately 7.65 acres in size. The property is generally located east of NW Hilltop Lane and east of NW High View Drive. The land is zoned District R-1 (Single Family Residential). There are 31 lots in this plat.

The preliminary plat for the Eagle Ridge Estates subdivision that includes these lots was previously approved by the Planning and Zoning Commission on November 18, 2020. Also, at the November 18th meeting, the Planning and Zoning Commission meeting held a public hearing and recommended that this area be rezoned from District M-1 (Light Industrial) to District R-1 (Single Family Residential). The Board of Aldermen passed Ordinance 2536 on January 11, 2021 approving the change of zoning.

ANALYSIS: This final plat is an extension of the existing Eagle Ridge subdivision and will contain 31 lots. The structures will be single family residences and will be very similar in style/size as the existing homes on NW Hilltop Lane and NW High View Drive. This final plat is in conformance with City standards and engineering civil plans have been approved by City Engineer.

PLANNING AND ZONING COMMISSION: The Commission at the February 9, 2022 meeting voted to recommend approval of the final plat to the Board of Aldermen.

STAFF RECOMMENDATION: Staff recommends approval.
