**ITEM VII: Public Comment**

- Jan Brill; 1035 Ephraim; Asked for updates to section 400.300 related to political signage. She feels this gives an unfair advantage to those candidates following the rules. Code Enforcement Draper stated that after an ordinance violation has occurred, they have 10 days to remove the signs. She would like the following considered: the city could notify all candidates of the rules when they put in for their candidacy. She feels the 10-day timeframe is too long for signage. She doesn't feel it should required a complaint to occur before the signage is removed or for the city to act.
- Mr. Lauber stated they could look into the code section to see if it could be updated
