ITEM VII: Public Comment

- Chuck Johnston; 611 SW Cross Creek Drive. He stated he thought everything was resolved last year (2024) and stated the City authorized an off-duty police officer to escort the Santa Bus. He said his intent was never to have the city pay anything. This year when speaking with Chief Turner, he asked for the VIPS to use the VIPS vehicle for escorting the bus. He said they've been doing this for 30 years and he's only thinking about the kids' safety and the kids run out to the bus without looking sometimes. He wants an official escort to avoid an accident. He stated he's only had himself and the VIPS injured by a dog bite in the past and no other injuries.
- Mr. Johnston stated Chief Turner shared there is liability if a city vehicle is involved. Mr. Johnston stated if something were to happen, the blame would be on the vehicle that goes around the santa bus and it wouldn't be on the city. He stated the city has insurance and if something did happen it would cover it. He said it is for the safety of the kids. He stated Mr. Garcia's personal marked vehicle is official and he's asking for the VIP vehicle in the back to look official. He is asking for a motion to approve the use of a VIP vehicle for an escort. He stated he'd pay the gas for the VIPS vehicle.
- Mayor confirmed with Chief Turner that the use of the VIPS vehicle has not been denied based on the memo that was provided to the board.

Board of Aldermen Meeting Minutes Regular Session

11/24/2025 Page 2 of 10

- Chief stated they have not denied the use of a vehicle, but it would be contingent upon a safety plan. Chief stated these items were discussed with Mr. Johnston less than 10 days prior to his event started and Mr. Johnston did not like the ideas (safety parameters) and he was not agreeable. The ordinance requires 60- 21 days for application review prior to an event for planning opportunities.
- Mr. Johnston stated they pull to the side of the street and do not block traffic. He reiterated in the 30 years, there was never an injury. He feels the safety for kids outweighs any other issues. He didn't realize there was a timeframe associated with this. He submitted his plan to Chief and hopes it would suffice. He thought he paid the permit fee paid he thought it he'd be okay to do as he has in the past. He requested the motion to approve a VIPS vehicle and he'd pay the gas if needed.
- Chief stated there was a 2nd option proposed in the write up to the board and he discussed this this morning with Mr. Johnston and he stated if he was willing to pay or gas, he could purchase a magnetic light that could be used on a personal vehicle. He stated it would offer the same light as a city police vehicle and similar to the leading vehicle. He said he's not against the Santa bus, but wants it to be done in an orderly manner if the city were to be involved. Every other event in town runs in this manner with an operational safety plan.
- Mr. Johnston stated it is a good alternative, but then he wouldn't have a safety trained individual like a VIP. He stated it was given the city would allow for an officer to be paid for this. This is when he realized their was a timeframe related to the permit.
- Chief Turner stated if a VIPS trained officer can drive a VIPS car, they can also drive their
 own car with the same training; Mr. Johnston said any person with no training could also
 put lights on his car and have no idea what to do with traffic with no vests and no lights.
- Mr. Johnston stated he thought that a paid officer was a given this year and for Mr. Garcia
 to get with Chief Turner about the process this year & that is when he learned differently
 and of the time frame.
- Alderman Knox motioned the allowance of a VIP vehicle and to get concrete information down for the following year and usage without the recommendations set forth by Chief.
- Mayor stated (Alderman Knox) made a motion to allow the use of a VIPS vehicle and asked if that was without the recommendations set forth by Chief Turner.
- Alderman Sole asked what the issue was if another VIP drives another personal vehicle like Mr. Garcia; Mayor Todd stated there isn't an issue with that.
- Chief stated this is the plan he is suggesting for this year. They gave an ad hoc resolution last year. They were not given a plan until tonight from Mr. Johnston. He feels the VIP personal vehicle usage is a reasonable plan.
- Alderman Sole stated if they are using 2 personal vehicles, in relation to red/blue lights in
 personal vehicles in the code, is this allowed and are they just asking permission? Chief
 stated this would be approved and outlined only in this capacity for the permit purposes.
- Alderman Bray asked if red/blue lights were allowed; Chief Turner stated that is permission as part of the permit
- Alderman Skinner asked what the problem is.
- Alderman Sole asked if another VIP doesn't want to use their own vehicle?

Board of Aldermen Meeting Minutes Regular Session

11/24/2025 Page 3 of 10

- Mr. Johnston stated the VIP vehicle looks official. Alderman Skinner asked if it was a cityowned vehicle. Mr. Johnston stated yes. Alderman Skinner stated that would bring in City liability if a City vehicle is used. Chief stated legal's opinion is that we would have liability if our vehicle is being used.
- Alderman Skinner remembers sitting at the dais and remembers this same conversation last year and that it would be passed last year and we'd figure it out for this year
- Alderman Sole remembered the police escort was part of it last year. Mr. Johnston stated
 he didn't want them to pay for the off-duty officer as they have volunteers willing to help.
- Mr. Johnston stated the city is open to liability the minute they approve the permit and he
 would mess it up.
- Alderman Skinner quoted Chuck that the city has insurance and the city would pay for that– Alderman Skinner stated he's looking out for the constituents as they would be the ones paying for it. He wants to limit the liability to his constituents.
- Mr. Johnston stated there has never been a problem and he's concerned for the kids' safety
- Alderman Knox asked what liability if a VIP is driving a city vehicle; legal counsel Mr.
 Purifoy stated the city's ownership of the vehicle is where the liability is brought in. If a VIP
 is driving their own vehicle, then they are in a volunteer capacity.
- Mr. Johnston asked if the city is liable if a permit is okayed; Mr. Purifoy stated no.
- Alderman Sole likes the idea of allowing the lights being used on a personal vehicle instead of opening the city to liability.
- Alderman Skinner stated this is the same conversation as last year
- Alderman Bray stated last year was a really short timeframe and shorter than last year, and that is why they did what they did. He also stated, just because no issues in the past doesn't mean it won't happen in the future. Mr. Johnston stated that is because of a police escort. He asked what liability there is. Alderman Skinner there are suits against officers on the news all the time for just doing their jobs.
- Mayor asked if there was a second to the motion. No one seconded the motion.
- Mayor reiterated the VIP vehicle could be used if they follow an operational plan. Chief
 Turner stated those take weeks to create the first few original items they could not get
 past with Mr. Johnston and he's willing to talk more to him.
- Mr. Johnston stated he cannot get the light by this coming weekend. He stated if the city cannot stand the risk for the kid's protection, then why do we do it.
- Alderman Skinner asked why we the bus can't park somewhere and have the kids come
 to him. Mr. Johnston said the parents won't come out with the kids they are too busy
 watching the game or whatever. A lot do, but a lot don't and he wants to see as many as
 he can.
- Alderman Sole stated if time is an issue, that he can get lights here in time by using his amazon prime account by Wednesday; Mr. Johnston stated he's sorry the city doesn't think the kids are worth protecting.
- Mayor stated the city is offering help, but the items required to hold the event are needed before this can happen and Mr. Johnston doesn't want to follow the Chief of Police's

Board of Aldermen Meeting Minutes Regular Session

11/24/2025 PAGE 4 OF 10

recommendations. For example, Mayor asked if proof of insurance was provided for the event. No, Mr. Johnston doesn't have it. Alderman Skinner asked if there really wasn't insurance for this event; Mr. Johnston stated it isn't an event. He drives a bus around the city house to house.

- Mayor stated he doesn't think the things Chief is asking for are unreasonable.
- Mr. Johnston stated he said they can't use the VIPS car; Chief stated to use the VIP car, the plan needs to be followed or the event will be stopped. They need to come to an agreement so option B is left and the other is off the table since Mr. Johnston does not want to agree to the terms
- Mayor stated the City is trying to make the event safer and it sounds like Mr. Johnston doesn't want to make it safer.
- Mr. Johnston does want this to be safe and wants 2 unmarked vehicles to slow traffic;
 Mayor stated they can do it with parameters.
- Alderman Sole stated he'd buy the lights if another VIP would be using their car; Mr.
 Johnston stated they switch cars at different times and doesn't know if they will all have
 the proper set up inside their cars.
- Alderman Skinner stated these items are basic such as insurance for the event and background checks required and asked if insurance is required for other events in town such as food truck Fridays. Yes.
- Alderman Skinner stated Chuck cannot blame the city when he cannot agree to do the
 basic stuff. He stated this same conversation was held last year and he should have
 prepared earlier in the year and he is disappointed this is happening again. He stated Mr.
 Johnston should not blame the city for Christmas being ruined for the kids and he should
 look in the mirror.
