

COLD BLOODED CRITTERS

Grain Valley Parks & Rec and
The Missouri Department of Conservation
invite elementary age kids to join us
to for this **FREE** event where we will slither,
crawl, hop or swim into the exciting world of
Missouri's amphibians and reptiles! These
coldblooded

animals are unique, diverse and very
important to our ecosystem.

Join us as we learn about
these wonderful creatures.
Plus, we will get a chance to
meet some!
